

dormakaba Showcases Hospitality Access Solutions that Enhance the Guest Experience

New product innovations, smart access technology featured in Booth #1044 at HITEC 2024

INDIANAPOLIS, June 24, 2024 – Hospitality access solutions leader dormakaba will showcase its latest security solutions in booth #1044 at HITEC, June 24-28, 2024, in Charlotte. The booth will highlight fully functional new product innovations and smart access technology that enhance both security and the guest experience.

“Our purpose is to provide the latest access solutions for today's hotels and resorts,” said Darien Long, SVP Specialty Access Solutions at dormakaba. “Our customers can see and experience our hospitality access solutions firsthand.”

The following marquee products and demos will be featured at dormakaba's HITEC 2024 experience.

dormakaba Ambiance Cloud

dormakaba's new Ambiance® Cloud is the next generation of the Ambiance Access Management Software. Developed for security and designed for users, the application streamlines access control management and integrates seamlessly into any hotel IT infrastructure.

dormakaba Room Key in Apple Wallet

dormakaba now has a room key solution that enables hotel guests to conveniently and securely add room keys to Apple Wallet. Guests can tap their iPhone and Apple Watch to unlock their room, as well as amenity locations such as the gym, spa and business center.

dormakaba Quantum Pixel+

dormakaba's new Quantum Pixel* lock provides an easy-to-use, secure, and flexible access control solution that is both attractive and high performing. Its electronics are concealed within the door for minimally visible hardware that integrates seamlessly within any hotel décor and is compatible with a wide range of lever choices.
